Dear Sir or madam,

Academy@Worden - SCHOOL ADMISSION ARRANGEMENTS 2020/2021

I am writing to consult with you on the proposed school admission arrangements for the Academy@Worden for implementation in respect of the 2020/2021 academic year. The regulations require arrangements to be determined by Admission Authorities by 31st January 2019. The final date for the receipt of any responses is 8th January 2019.

A copy of the draft Admissions policy for 2020/2021 can be found on the admissions section of our website which also details the normal admissions procedures and the criteria used in deciding admissions for the academy.

The proposed change to the admission arrangements for the 2020/21 academic year relate to the children of staff members. It should be noted that the wording used in relation this criteria is directly taken from the DFE guidelines. Furthermore, there are no other changes to the criteria used in previous years.

Thank you for your consideration of the above. I would be grateful to receive any comments you may have in writing to the above address or by e-mail (admissions@wordenacademy.co.uk) if you prefer by no later than 8th January 2019. If you have any queries relating to this matter, please do not hesitate to contact me.

Yours Sincerely

Mr C Catherall
