- **Individual liberty**
- **Mutual respect and tolerance of those with different faiths and beliefs.**

These values are officially taught through the RE and the RSE curriculum, and are further nurtured through the school's ethos and promotion of spiritual, moral, social and cultural (SMSC) understanding.

- 2.3. The headteacher is responsible for disciplining staff who do not uphold British values, in line with the Disciplinary Policy and Procedure policy.
- 2.4. Teachers and support staff will ensure that their lessons are inclusive of, and sensitive to, the fundamental British values.
- 2.5. Pupils are expected to treat each other and staff with respect, in line with the school's Behavioural Policy.

## 3. Aims and objectives

3.1. Through our policy and procedures, we aim to ensure that our pupils have:

- An understanding of how citizens can influence decision-making through the democratic process.

- An appreciation that living under the rule of law protects individual citizens and is essential for their wellbeing and safety.
- An understanding that there is a separation of power between the executive and the judiciary, and that while some public bodies, such as the police and the army, can be held to account through Parliament, others, such as the courts, maintain independence.
- An understanding that the freedom to hold other faiths and beliefs is protected in law.
- An acceptance that people having different faiths or beliefs to oneself (or having none) should be accepted and tolerated, and should not be the cause of prejudicial or discriminatory behaviour.
- An understanding of the importance of identifying and combatting discrimination.

## **4. Democracy**

- 4.1. Pupils have numerous opportunities to have their views heard, including through:
  - Pupil questionnaires
  - Pupil elected school council
- 4.2. Our pupils are encouraged to have an input into what and how they learn to instil an understanding of democracy for their future.

## **5. The rule of law**

- 5.1. The academy has a high regard for the laws that govern and protect the school, the responsibilities that this involves, and the consequences when laws are broken. All pupils are involved in the creation of school rules to inspire them with this understanding.
- 5.2. Pupils are taught these values and the reasons behind laws, whether they govern the class, the school or the country, that are essential for their wellbeing and safety. Pupils are allowed healthy debate in class on the matter to encourage recognition of the importance of the law.
- 5.3. The school organises visits from authorities throughout the academic year in an effort to reinforce the reality and importance of this message.
- 5.4. The school understands the importance of promoting British values through a comprehensive and unprejudiced curriculum.

## **6. Individual liberty**

- 6.1. At Academy @ Worden, a safe and supportive environment is fostered throughout the school, where pupils are actively encouraged to make choices. Whether it is choosing a challenging task or an extra-curricular club, pupils have the freedom to base their choices on their interests.
- 6.2. Pupils are taught about their rights and personal freedoms, and are encouraged and advised on how to exercise these safely, for instance through teaching on e-safety and LIFE (RSE) lessons.

## **7. Mutual respect and tolerance of those of different faiths and beliefs**

- 7.1. Respect forms a core pillar of the school's ethos. Pupils are treated with respect and learn to treat each other and all members of staff with respect.
- 7.2. This is reinforced through the school's Behavioural Policy and posters throughout the school promoting mutual respect.
- 7.3. The school acknowledges that tolerance is achieved through pupils' knowledge and understanding of their place in a culturally-diverse society and the opportunity for pupils to experience such diversity.
- 7.4. Throughout the year, assemblies are held focussing on bullying, with reference to prejudice-based bullying, and discussion is encouraged.
- 7.5. Tolerance of those of different faiths and beliefs is supported by the RE and LIFE (RSE) curriculum.
- 7.6. The school encourages its pupils from different faiths or religions to share their knowledge with their peers to enhance their learning.

## **8. Challenging views that go against British values**

- 8.1. The school openly challenges opinions and behaviour, demonstrated by both staff and pupils, that goes against British values.
- 8.2. The school adopts a zero-tolerance approach towards discriminatory and prejudicial behaviour. Any pupils displaying this behaviour will be disciplined in line with the Behavioural Policy.

## 9. Staff training

- 9.1. Members of staff are made aware of their responsibilities in terms of British values during their induction and through additional CPD training.
- 9.2. Staff will be offered the opportunity for further training on upholding the values in this policy.

## 10. Policy review

- 10.1. This policy is reviewed annually by the headteacher and the governing board (PLC).
